Impacts of the Change?

There are no impacts to Xoserve core systems as these changes are only documentation related.

All changes within scope of this release are relating to description amendments to existing file/record formats to provide additional clarity to system users. No changes to the compilation of the effected file/record formats are being made as part of this release.

However, all System Users will need to assess whether there will be any system impacts as a result of these changes. No system changes for Xoserve. The above changes are documentation only.

This Release was implemented successfully on Saturday 29th February.

DSC Service Line	N/A
